Vacations go smoother in a Chevrolet Corvair

Bring on those mountains! They're not so high and mighty when you've got Corvair's gutty six and rear-engine traction working on them.

You scurry up the meanest grades. You move with sure-footed agility on wet pavement, muddy lanes, gravel and other would-be miseries.

And with most of Corvair's weight on the rear wheels, you have easy steering, too. Fact is, the handling's so light and responsive we don't even offer power steering for the car.

And there's more to feel good about. No problems with your radiator boiling over or going dry, because there's no radiator. Corvair engine is air cooled. No concern about brake adjustments, either, because the brakes adjust themselves. Nothing much to think about at all except the good time you're having.

Like to do that in a sporty bucket-seated Monza Club Coupe or Convertible? Like to spring into summer with a 4-speed stick shift,* and Spyder performance* with its 150-hp Turbocharged engine? Your dealer's got just the Corvair and the Trade 'N' Travel Time on it to put you in a holiday mood.

IN MEMORIAM

In loving memory of my husband, our father and grandfather Joel Thomas Morris, who died six years ago, June 6, 1957.
Lonely is our hearts without you,
Sad it seems for us today,
For the one we loved so dearly
Forever from us has passed away.
Sadly missed by wife, children, and grandchildren.

In sad remembrance of C. Jack Smith, who passed away one year ago today, June 4.
If I could turn back a year
and start the year anew.
I'd want to live the life
We had of love I had for you.
You filled our home with happiness
You made our life complete.
No one knows the saddness we suffer
After you closed your eyes in sleep.
You had a nature you could not help
of love, and a heart as pure as gold
and to those who love you, and knew
Your memory will never grow old.
They say time heals all sorrow and
helps to forget, but death has left a
vacant place, that I will never forget.
Look back with tenderness
Along the path we trod.
Blest are the years we spent together,
for us they were so dear.
Your life is a beautiful memory
Your absence a silent grief,
You went to sleep in a beautiful garden,
of love and content and peace.
Some may think we have forgotten
Others may think we don't care,
But God is the one who knows
How bitter the pain for us to bare.
Sadly missed by wife and son.

In this proceeding the Petitioner seeks to acquire by condemnation certain rights, privileges and easements of right of way over, upon and across certain pieces or parcels of land situated in Appomattox County, Virginia, for the uses and purposes of the Petitioner in the construction, maintenance, inspection, operation, protection, repair, replacement, change of size and removal of a pipe line for the transportation of petroleum products and or any other liquids or gases as a common carrier for the public, which are fully described in the petition and exhibits attached thereto on file in the Office of the clerk of the court, to which reference is hereby made for a full and accurate description thereof; and for the appointment of commissioners to ascertain just compensation to the owners of any estate or interest in the property to be taken or affected as a result of the taking and use thereof by the Petitioner.

For such purposes, the Petitioner will apply to the Court sitting at Appomattox, Virginia, on the 29th day of June, 1963, at 10:00 o'clock a.m., or as soon thereafter as Petitioner may be heard, for the appointment of commissioners to ascertain just compensation as aforesaid.

And it appearing by Affidavit filed according to law that the following owner is not a resident of the State of Virginia, namely, Herman A. Glenn whose address is 44 6th Street, Atlantic Beach, Florida and that this is his last known and in fact correct present address.

It is ORDERED that the aforesaid owner do appear within ten (10) days after due publication of this order in the Clerk's Office of the Circuit Court of Appomattox County, Virginia, and do what is necessary to protect their interests; and it is further ORDERED that if any of the above named owners desire to assert any objection or defense to the taking or damaging of this or his property or to the jurisdiction of the court to hear the case and to proceed with the appointment of commissioners for the determination of just compensation.

It having been made to appear that a public necessity and an essential public convenience requires that the Petitioner enter upon the property described in the Petition filed in this cause for the purpose of constructing its pipe line in the manner proposed in the said Petition and it being made to appear that an emergency exists justifying an entry and further that the interest of the owner or owners will be adequately protected by the payment in the Court for the benefit of the said owners of the amount of the offer made by the Petitioner in accordance with Code Section 25-46.5 and the executing of proper bond, the said defendant is notified that the Petitioner will move the Court for permission to enter upon the said lands and construct its facilities prior to the determination of any award as is requested to be made in the Petition filed in this proceeding.
